To whom it may concern,

Object: Danylo Shemet certificate of participation and contribution as a speaker

I'm writing this reference letter as an Assistant Professor and Academic Coordinator of MSc Programme in Cognitive Systems at the Open University of Cyprus.

This letter is to certify that Danylo Shemet, a PhD student, participated and contributed as a speaker at a session held for PhD students of the Open University of Cyprus on Thursday, 9th of April 2026.

Danylo Shemet delivered a presentation titled *"AI in Education: RAG Conception and Ethical AI Declaration Form."* His presentation provided valuable insights into the application of Retrieval-Augmented Generation (RAG) in educational contexts and emphasized the importance of ethical frameworks, particularly the use of AI declaration forms to ensure transparency and academic integrity. His research, conducted within the framework of his thesis *"Methodology of Training Future Informatics Teachers in Artificial Intelligence Technologies,"* demonstrates a strong methodological foundation and relevance to current challenges in AI-enhanced teacher education and teacher training. Danylo Shemet's contribution enriched the academic discussion, fostering critical reflection among PhD students and academics, encouraging responsible and innovative uses of artificial intelligence in education, for both educators and students.

Should you require further information or clarification, please do not hesitate to contact me.

Kind regards,
